

We are super excited to announce our *Splash Kingdom VBS 2020.*

DATES:

Sunday, August 16 – Tuesday, August 18 Rising K – 2nd graders 6:00 – 8:30 p.m.

Wednesday, August 19- Friday, August 21 Rising 3rd – 5th graders 6:00 – 8:30 p.m.

In consultation with health professionals and based on the Governor's latest Executive Order there will be **policies and procedures** that we will need to follow:

- Based on the size of our facility, with social distancing requirements we are able to accommodate 60 students at the Highlands Campus.
- Social distancing **will be practiced**.
- **ALL** volunteers, staff, leaders, and children will have their temperatures taken upon arrival at VBS.
- Volunteers, Staff, and Leaders will wear a mask.
- Anyone with COVID-19 symptoms or that has been exposed to COVID-19 will **NOT** be permitted in the building.
- As much as possible, the program will be a touch-free environment with limited handouts, sharing of supplies, etc.

REGISTRATION PROCEDURES:

- Registration is available only online at fincastlebaptist.org/vbs
- Registration is limited to 60 children.
- Once your child is registered, you will receive a confirmation email.
- Since there is no cost for VBS, including a T-shirt, and because we fully expect to max out the available registrations, please do not register unless you are 100% certain your child will be able to attend. We would hate to have to turn away others.

DROP OFF PROCEDURES:

- Parents and other family members are **prohibited** from entering the building.
- Students will be dropped off on Oak Street in front of the building and screened immediately after they get out of the car. Screenings will include:
 - 1) Checking the child's temperature with a forehead thermometer (*any temperature 100.4 or higher will not be allowed to stay*).
 - 2) You will be asked if medication has been used to lower your child's temperature within the previous 48 hours.
 - 3) You will be asked if the child has been exposed to COVID-19.
- After the screening is complete, a staff member will take the child to the socially distanced Worship Center and parents may drive out of the drop-off line so the next child can be screened.

PICK UP PROCEDURES:

- Upon registration, parents will receive a wristband for their child and a sign with their child's information that is to be placed in the car window for pick up.
- All children will be picked up from the same location as drop off.
- Parents are **NOT** allowed in the building. A staff member will bring your child to you.
- Once your child is safely in the car you may exit the property.
