

We are super excited to announce our *Splash Kingdom VBS 2020.*

DATES:

Sunday July 26th – Tuesday, July 28th Rising K – 2nd graders 6:00 – 8:30 p.m.

Wednesday, July 29- Friday, July 31st Rising 3rd – 5th graders 6:00 – 8:30 p.m.

In consultation with health professionals and based on the Governor's latest Executive Order there will be **policies and procedures** that we will need to follow:

- Based on the size of our facility we are able to accommodate 90 students at the Fincastle Campus.
- Social distancing **will be practiced.**
- **ALL** volunteers, staff and teachers will have their temperatures taken upon arrival and will wear a mask.
- Anyone with COVID-19 symptoms or that has been exposed to COVID-19 will NOT be permitted in the building.
- Each night a professional cleaning company will clean the facilities with the same cleaning agents that is used in ambulances. In addition, our Fincastle Campus Worship Center has an electronic air clearer similar to what is used in hospitals.
- As much as possible, the program will be a touch-free environment with limited handouts, sharing of supplies, etc.

REGISTRATION PROCEDURES:

- Registration is available only online at fincastlebaptist.org/vbs
- Registration is limited to 90 children.
- Once your child is registered, you will receive a confirmation email.
- Since there is no cost for VBS including a T-shirt, and because we fully expect to max out registration, please do not register unless your child is 100% able to attend. We would hate to have to turn away others.

DROP OFF PROCEDURES:

- Parents and other family members are **prohibited** from entering the building.
- Students will be dropped off under the canopy in front of the building and screened immediately after they get out of the car. Screenings will include:
 - 1) Checking the child's temperature with a forehead thermometer (*any temperature 100.4 or higher will not be allowed to stay*).
 - 2) Asking if medication has been used to lower your child's temperature within the previous 48 hours.
 - 3) Asking if the child has been exposed to COVID-19.
- After the screening is complete, a staff member will take the child to the socially distanced Worship Center and parents will need to drive off so the next child can be screened.

PICK UP PROCEDURES:

- Upon registration, parents will receive a wristband for their child and a sign with their child's information, which will need to be placed in the car window upon arrival of pick up for the child.
- All children will be picked up from under the canopy in front of the building.
- Parents are **NOT** allowed in the building. A staff member will bring your child to your car.
- Once your child is safely in the car you may exit the property.

If you have any questions please contact us at info@fincastlebaptist.org or by calling the church office (540) 473-2861.
